Where available, Box of Books offers the option of "Digital on BoB & Physical" or the cheaper option of "Digital on BoB". When the school requires students to use a specific format, this is noted on the booklist. Where not indicated, students can select either option based on their preference.

Once purchased, the digital texts can be accessed by signing in to the student's Box of Books account. We strongly recommend students sign in to Box of Books before the start of school to ensure their textbooks and publisher interactives (e.g. online quizzes) are set up prior to the commencement of term.
